

# Science Technology and Math Preparation Scholarship (STAMPS) Program Application

Congratulations! You have been identified as meeting the academic requirements for the STAMPS Program, sponsored by the National Science Foundation. This application is the first step to be considered for acceptance to this prestigious program, which includes a scholarship valued at up to \$16,000 over the course of four years\* in addition to opportunities for mentorship and research in STEM fields.

To be eligible for this scholarship program you must enroll full time with a major in Biology, Chemistry, Biochemistry, Computer Science, Geography, Physics, Mathematics or Statistics beginning in the 2019–20 academic year.

Name: \_\_\_\_\_

Will you be entering UNCG with college credits (AP, Early College, dual enrollment, transfer, etc.)?  
Yes    No

If yes, how many credits have you completed? \_\_\_\_\_

Which academic major do you intend to pursue?

Please respond to both of the following essay prompts. Limit each essay to 500 words or less. (Essays should be attached separately.)

- What and where do you aspire to be in five years? Why?
- How do you identify yourself as a “scientist”? Who are your role models, and why?

This application form should be returned to Dr. Jeff Patton in UNCG’s Geography Department by March 15, 2019.
